NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board

Dated: August 18, 2014

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the "Town Board"), has reviewed the proposed construction of a 3,360 +/- square foot building with associated site infrastructure and 15 +/- parking spaces on a 2.5± acre parcel submitted by Advantage Fitness, LLC,. The Town Board has determined the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: Advantage Fitness

Location of Action: 6161 Broadway, Lancaster, New York 14086, Erie County.

SEQR Status: Type II.

Description of Action: A site plan for a proposed 3,360± square foot building located at 6161 Broadway, Lancaster, New York. The building will house a fitness facility with the site containing a 15± space parking lot and all associated site infrastructure needed for the operation of the facility.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. The proposed action will not create a material conflict with an adopted land use plan or zoning regulations.
2. The proposed action will not result in a change in the use or intensity of use of land.
3. The proposed action will not impair the character or quality of the existing community.
4. The Town of Lancaster has not established a Critical Environmental Area (CEA).
5. The proposed action will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.

6. The proposed action will not cause an increase in the use of energy or fail to incorporate reasonably available energy conservation or renewable energy opportunities.
7. The proposed action will not impact existing public/private water supplies or public/private wastewater treatment utilities.
8. The proposed action will not impair the character or quality of important historic, archaeological, architectural or aesthetic resources.
9. The proposed action will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna).
10. The proposed action will not result in an increase in the potential for erosion, flooding or drainage problems.
11. The proposed action will not create a hazard to environmental resources or human health.

NEGATIVE DECLARATION

Determination of Non-Significance

Town of Lancaster Town Board

Dated: August 18, 2014

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the "Town Board"), has reviewed the Rezone of 375 & 391 Harris Hill Road from Residential District (R-1) to Multifamily Residential District Three (MFR-3) located within the Town of Lancaster and submitted by Natale Development, LLC. The Town Board has determined the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: Harris Hill Senior Housing

Location of Action: 375 Harris Hill (SBL: 82.03-2-11.1) & 391 Harris Hill Road (SBL: 82.03-2-15), Lancaster, New York.

SEQR Status: Type 1 Action.

Description of Action: The rezoning of approximately 32.4 acres from Residential District (R-1) to Multifamily Residential District Three (MFR-3) to accommodate the development of 150 senior housing units and approximately 10 single family lots.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

- 1. Impact on land** – There will be impacts to land as the result of the residential development and the site preparation and grading, but such impacts will not be significant.
- 2. Impact on Geological Features** - None
- 3. Impacts on Surface Water** – There will be adequate drainage at the site, and the developer will be required to comply with the SPDES General Permit for Stormwater Discharges from Construction Activity, including post-construction stormwater management. This will ensure any impacts to surface water are mitigated to the maximum extent practicable.
- 4. Impact on Groundwater** – There will be no significant adverse impact to groundwater.

5. **Impact on Flooding** – A small impact may occur. It is noted that the development will occur within a 500 year Floodplain.
6. **Impact on Air** – There will be minor, temporary impacts during construction, but such will not be significant.
7. **Impact on Plants and Animals** – A small seasonal impact may occur related to the use of herbicides and pesticides.
8. **Impact on Agricultural Resources** - None
9. **Impact on Aesthetic Resources** – It is noted that there are similar projects within a half to three mile distance of the project.
10. **Impact on Historic and Archeological Resources** – A small impact is noted with regard to an historical cabin which had been located on this site; the cabin has recently been removed from this location.
11. **Impact on Open Space and Recreation** – An additional demand for open space and recreation will be created by the residential development, but such increase will not be significant.
12. **Impact on Critical Environmental Areas** – There is no Critical Environmental Area (CEA) near the Project site.
13. **Impact on Transportation** – A small impact is possible at the two intersections located North and South of the site; specifically the intersection of Harris Hill Road and Wehrle Drive and Harris Hill Road and Genesee Street.
14. **Impact on Energy** – There will be a minor increase in energy usage consistent with residential development, and such will not be significant.
15. **Impact on Noise, Odor and Light** – During construction of the Project there may be temporary noise, dust, and odor impacts, but best management practices and the temporary nature of these impacts render these potential impacts to be insignificant. Light impacts will increase as the area will be lit for residents, but this will not be significant.
16. **Impact on Human Health** – There will be no such impacts.
17. **Consistency with Community Plans** – Reduction in the zoning approval from MFR-4 to MFR-3, a lower density zoning district, ensures consistency with the community's plans and character. Similarly, the project is a senior housing facility, and senior housing, rather than higher-density apartment complexes is consistent with the community's plans and character.
18. **Consistency with Community Character** – The proposed action may create a demand for additional Police and Fire services. This impact is considered not to be significant.

MOVED ITS ADOPTION, SECONDED BY
COUNCIL MEMBER, TO WIT:

WHEREAS, A Public Hearing was held on July 7, 2014, on the petition of **Natale Development, LLC**, 9159 Main Street, Clarence, New York 14031, for the rezone of a parcel of land located at 375 Harris Hill Road (SBL# 82.03-2-11.1) & 391 Harris Hill Road (SBL# 82.03-2-15), Lancaster, New York from Residential District (R-1) to Multifamily Residential District Four (MFR-4), and

WHEREAS, the Petition has been referred to the Planning Board of the Town of Lancaster for its recommendation and was denied approval at their May 21, 2014 meeting;

WHEREAS, a Rezone of the property to the Multifamily Residential District 3 (MFR-3) is the minimum necessary to achieve the applicant's objectives, and that the MFR-3 zoning district is less dense and will mitigate environmental impacts to the maximum extent practicable

WHEREAS, a SEQR review was completed on the proposed rezone on August 4, 2014 and a Negative Declaration was issued for the senior housing project and rezone to MFR-3, and

WHEREAS, notices of said Hearings were duly published and posted,
and

WHEREAS, in accordance with Section 239 (m) of the General Municipal Law of the State of New York, the Erie County Department of Planning has reviewed such application for rezone and has no objection with respect thereto;

NOW, THEREFORE

BE IT RESOLVED,

1. That the Zoning Ordinance and Zoning Map of the Town of Lancaster is hereby amended and changed so that the real property 375 Harris Hill Road (SBL# 82.03-2-11.1) & 391 Harris Hill Road (SBL# 82.03-2-15) is changed from a Residential District (R-1) to Multifamily Residential District Three (MRF-3) with the following condition:

- a) Residents of the apartment units must be age 55 years or older, and the property owner shall record a deed restriction providing for same. The deed restriction must include the Town as a beneficiary of such restriction, so that the Town may enforce the private deed restriction, in addition to the rezoning condition.

2. That said Ordinance Amendment be added in the Minutes of the meeting of the Town Board of the Town of Lancaster held on the 18th day of August 2014;

3. That a certified copy thereof be published in the Official Newspaper of Town of Lancaster pursuant to Town Law;

- 4. That Affidavits of Publication be filed with the Town Clerk; and
- 5. That a certified copy of this resolution be furnished to the Erie County Department of Planning.

The question of the adoption of the foregoing resolution was duly put to a vote on roll call, which resulted as follows:

COUNCIL MEMBER ABRAHAM	VOTED
